2020 Asia Pacific Regional Rotaract Conference

The **2020 Asia Pacific Regional Rotaract Conference (APRRC)** will be held in Malaysia on September 3-6, 2020. The last time Malaysia hosted the conference was in 2007 so it is expected that the Malaysian Rotaractors will be pulling all stops for this annual gathering. The venue of choice is the sleek The Wembley by St Giles Hotel in Georgetown, Penang. The target is to exceed the average 800 to 1,000 participants from ages 23 to 30 and also invite Rotarians to show their solidarity and support for the Rotaractors.

The APRRC was presented by Past District Rotaract Representative (PDRR) **Calvin Khoo** and Rotaractor **Lan Jie Fel** of District 2200, Malaysia.

2021 Taipei International Convention

A closer option for Asian Rotarians is the **Taipei Rotary International Convention** which will happen on June 12-16, 2021. The organizers promise the incoming delegates that they will get a feel of the energy that is unique to Taipei. The capital of Taiwan, Taipei, boasts of Chinese culture with a blend of Japanese, Southeast Asian, and American influences. Taoist temples, Japanese-era mansions, themed restaurants and museums, green parks and quaint shops fill the heart of the city. There is so much to do within the capital and during the convention itself with a stellar line-up of speakers ready to enrich Rotarians with useful information, adaptable practices, inspiring stories, and more food for thought.

Presentor for the 2021 Taipei International Convention was Past RI Director **Jackson Hsieh** of District 3520 Taiwan.
